ISSUANCE OF PERMIT:

A permit shall be issued on the basis of an acceptable plan meeting the requirements of the Town of Chester Zoning Local Law, and such permit shall be subject to endorsement as provided for in Endorsement Procedure. In cases where the Zoning Administrator is of the opinion a sign proposed to be erected or the building or structure upon which such sign is proposed to be erected will be or is unsafe or unsuited for such purpose, the Zoning Administrator may withhold the issuance of a permit until the applicant submits a written statement from a professional structural engineer registered in the State of New York certifying as to the safety of such sign and the method of erection and/or securing the same to the said building or structure. The cost of providing such proof of safety shall be borne by the applicant.

ENFORCEMENT PROCEDURE:

After a sign for which a permit has been issued is in place, the owner of such sign shall notify the Zoning Administrator who shall inspect the sign to determine its conformity to the approved plans and the Zoning Administrator shall endorse the permit. If the sign is not located in accordance with the plans or if there is evidence that the erected or construction thereof or the method of securing the same to a building or structure is not in accordance with the plans, the sign permit shall be revoked. The owner of said sign shall be given thirty (30) days within which to correct the deficiency or violation on which the permit revocation is based. Within the thirty (30) day period, a revoked sign permit may be reinstated upon compliance with the requirements governing its issuance. However, if the owner fails to correct the violation within the thirty (30) day period, the Zoning Administrator shall order the sign to be removed. Non-compliance with the order within ten (10) days shall be deemed a violation punishable as provided in Article 13 of the Town of Chester Zoning Local Law.

PERMIT NUMBER AFFIXED TO SIGN:

Prior to its display, the owner of an approved business sign shall affix thereon, in the lower right hand corner, the sign permit number.

PERMITS NOT TRANSFERABLE:

No sign permit issued under the provisions of this ordinance shall be assigned or transferred to another by the holder thereof. The Town of Chester and the officials authorized herein have the exclusive responsibility for issuance of sign permits. Any assignment or transfer of such permit is hereby declared to be null and void, a violation of the ordinance and subject to the penalties and remedies provided for in Section 13 of the Town of Chester Zoning Local Law.

The undersigned hereby applies for a sign permit to do the attached work in accordance with the description, plan, specifications, and such special conditions (if applicable).
